SODA WATER
JAMES EVES
ONCE MORE IN THE FIELD!

THIS SODA WATER is without a parallel as a summer beverage. Its superior qualities over all other sodas of the kind, are numerous and conclusive. It is manufactured of pure spring water and the best of materials. It is the purest, clearest, best flavored, and healthiest beverage that can be used, and needs but a trial to test its value.

Having purchased at a great expense a large and splendid general and all other necessary for manufacturing and bottling soda water, he is now prepared to furnish any quantity of this delicious and celebrated article at wholesale and retail, at his factory in Belleville.
